

EXHIBITION SPONSORSHIP OPPORTUNITIES

Founded in 2001, Houston Center for Contemporary Craft (HCCC) is a 501(c)(3) nonprofit arts organization dedicated to advancing education about the process, product, and history of craft. HCCC is recognized internationally for groundbreaking exhibitions and craft scholarship. **HCCC is seeking lead sponsors to support *CraftTexas 2025* and *Clutch City Craft*, on view September 6, 2025 - January 31, 2026. Together, these exhibitions kick off Houston Center for Contemporary Craft's milestone 25th Anniversary year by showcasing the robust craft communities of Texas.**

CraftTexas is the longest running exhibition series at HCCC and is integral to the DNA of the organization. The series provides a unique opportunity for Texas artists to have their work viewed by a nationally recognized juror and displayed in an exhibition that strives to broaden the understanding of contemporary craft. *CraftTexas 2025* is juried by Abraham Thomas, the Metropolitan Art Museum's Daniel Brodsky Curator of Modern Architecture, Design, and Decorative Arts in the department of Modern and Contemporary Art.

Clutch City Craft is a group exhibition that surveys the craft communities that have not only built the infrastructure and material culture of Houston, but who have defined the city as a singular and formidable bastion of making. The show features the artists behind centuries-old mosaic street signs, cowboy boot makers, and fiber artists who design space suits and preserve the interiors of NASA mission control.

Your support will be recognized in front of:

- Over 12K combined annual visitors to HCCC
- Over 80K unique annual visitors to CraftHouston.org
- Over 30K followers on social media @crafthouston
