

PROGRAMMING SPONSORSHIP OPPORTUNITIES

Founded in 2001, Houston Center for Contemporary Craft (HCCC) is a 501(c)(3) nonprofit arts organization dedicated to **advancing education about the process, product, and history of craft**. Recognized internationally for leading-edge exhibitions and scholarship, HCCC is one of the few venues in the country dedicated exclusively to fine contemporary craft in all media.

HCCC is offering \$1,000 – \$20,000 sponsorship opportunities designed to complement a slate of expert-led, multi-generational learning opportunities. Sponsorships support the purchase of craft supplies, honoraria for teaching artists, and event staging expenses.

Sponsors will be featured in:

- Marketing collateral and event signage
- Press coverage in releases and social media features
- Hyperlinks on CraftHouston.org
- Plus receive HCCC Patron Circle membership benefits.

HCCC educational programming highlights craft as interdisciplinary. Natural dyeing educates guests about the environment, botany, and chemistry while sewing a quilt square connects students with color and texture as well as geometry and culture.
